“ *I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.*

“ What devastating news to learn of Andrea's journey home. To the boys, I send you my love and prayers. Such a gentle and sweet spirit has left this earth and heaven is all the more greater because of our loss. I'll miss our conversations and hate that health issues prevented us from getting together over the last nine months. I will always have fond memories of her at Wednesday night Bible Study both at my house and then later at the church. Love and prayers to the family in our loss.
