Mr. Bobby Stroud, age 72, a resident of Elmore County died on July 29, 2021. Entrusted to Hillside Memorial & Gardens.

Mr. Bobby William Stroud was born in Montgomery, Alabama on February 6, 1949. He died on July 29, 2021 in Wetumpka, Alabama. Bobby Stroud was an amazing man to so many people. There wasn't nothing he wouldn't do for his family and friends. He loved life and his truck. I can remember a time when I told him that he loved his truck more than me. Bobby and me used to enter dance contests and win everyone. He loved pool and we also won in pool tournaments. He also loved fishing but he couldn't fix up a rod so I had to fix them for him. In 1985, I couldn't have kids so we adopted Timothy Stroud. We raised him from one year old till he was grown. He is now 36 years old. He was everything to Bobby. Bobby was so proud of how far Timothy had come in life. He now has a family of his own and a baby on the way. Timothy is CEO of his own business as a professional painter. Bobby taught Timothy all about painting, he was a painter and a welder himself.

Bobby loved his "babies" which are his dogs, Hope and Faith. They miss him as much as I miss him. How can I move on without you in my world? You were my soulmate, my life, my everything. Life here is never going to be the same without you.

Bobby leaves behind a devoted wife of 37 years of marriage, Louise Stroud; two daughters, Jeannie Bell Stroud, Sherri Hill; two sons, Bobby Stroud, Jr., Lamar Stroud; a host of grandchildren and great grandchildren; a special son Timothy (Amanda) Stroud and his kids, Jacob, Jaden, Jalee McDaniel and unborn due in February 2022.

Bobby I don't know how I am going to live without you here. Have your arms wide open when I come through the Heaven gates to greet you. I will have mine wide open to hold you so tight.
