“ My husband Shelby Cullars thought the World of Cleve, as a friend and for all the work he did as he shared his expertise wisdom and thoughts with others. He knew so so very much and most of all he knew how to live, work and love his fellow friends. He was no stranger to work and helped so so many when he worked for Charles Hilyer. Charles said he could not get along without him and Charles spoke truth! I, also got to know Cleve when he and Viola came to help a friend out. He lived a Good Life and tried his very best to share that with every one else. He will be missed and I will keep Viola and family in my prayers.
