“ This past year has been ghastly for so many who have lost love ones. Quite frankly, most of us would not mind totally erasing last year, and moments from this year, as well. It is our prayer for you and your family, to reflect on memories you shared with your sister (Bobby Pierson) Cora Jean. We pray that these reflections will help to carry you and your family during your darkest hours. Our thoughts and prayers are with you now and during the difficult days ahead.
