“ Sylvia, she was a "Treasure" like no other. I will pray for you and your loss. You will have such peace of mind and love that you have stored up while assisting her. I am fixing to go to Tennessee to care for my great grandson while other family members do some house remodeling. I love you Sylvia and I always will. Please take care of yourself and know that she is at peace which in tern will give you love and peace also. Love you MUCH! Jim

*I met "Mama Lois" when she visited Cincinnati through her daughter Mattie and granddaughter Tiffanie. She was a most elegant and gracious woman full of wisdom. I enjoyed talking to her about life and God's spirit. It was a blessing for our paths to cross in life. Well done good and faithful servant. Condolences to Sylvia for her care. May God comfort all of the family of Daisy Paschal.*
