“ *When I lost my grandmother when i was 16, Momma Debra took ownership of being my mom. Don't get me wrong, I have a biological mother and wouldn't trade her for nothing. But, Momma Debra was my Aunt, my Momma and My Therapist. Words can not explain how I feel on the inside about this woman. I am truly afraid to think about her death. Losing my son a year and a half ago and now her, it hurts so bad. Please pray for my (our) strength. Writing this just doesn't seem real. Jesus!!!! How can you grieve without crashing out?*
