May 2, 2012 - June 20, 2025

Diamond was a shining light in the lives of everyone who had the privilege of knowing her. With a kind heart, a beautiful spirit, and a smile that lit up every room, she brought warmth and joy wherever she went.

A natural leader, Diamond proudly served as captain of the SouthLawn Middle School cheer team, encouraging her teammates with her dedication, energy, and uplifting spirit. She also excelled in tennis, playing with determination, heart, and a love for the game.

Diamond was not only a talented athlete but also a dedicated scholar. She consistently excelled in her studies and took great pride in her academic achievements, always striving to do her best in the classroom.

More than her accomplishments, Diamond will be remembered most for her compassion. She had a gift for making others feel seen, valued, and loved. Her kindness, laughter, and positive energy touched everyone around her.

She loved spending time with family and friends, creating memories full of laughter, love, and connection. Though her time with us was far too short, Diamond's light will live on in the hearts of all who knew and loved her.
