“ Long story post!  
R.I.P Ms Elgie

*In 2007, a blessing came knocking at our door. I opened the door and there stood a petite lil lady. She asked for Ms Easterling and I replied, I'm Ms Easterling. Her response was, oh yall black people. I laughed and invited her in. She said I'm Elgie Mae and Betty told me you looking for a baby sitter. I said we are. She came in and we talked about what was needed and the times she was needed. She walked around the house looking for the baby she would keep. Before I could get him, he popped up and smiling. She reached for him and he went to her immediately. I was shocked cause he never ever did that. I went to get him a bottle and when I came back in the room Ms Elgie was changing his pamper and then reached for the bottle. We talked about her pay and she said I need you to pay me in cash so you wont mess up my SS check. 🤦. I laughed and said yes mam.*

*Monday morning at 6:15 am. Ms Elgie was at the house. I was getting Destini Genè Easterling ready for school and Ms Elgie was in the kitchen. She said what they eating. I said Destini eating at school and Dylin baby cereal in the Pantry.. She looked frustrated and said oh ok.. I left for work and later on I called the house around 9 and she answered. She said we good but I cant get this TV to come on so I can watch The Price is Right and Jeopardy and The Young and the Restless. I said ok. I called Geno who was upstairs sleep and told him to go down stairs and show the babysitter how to work the TV. About 1 pm, Ms Elgie called back and said Ms Easterling you forgot to take out something for dinner I said oh mam, I dont cook dinner. I'll grab us something on the way home. She said what your husband gone eat before he go to work, I was thinking he better grab him some too. She said well its some chicken in here. You mind if I cook dinner, I'm like you're welcome to do anything in that kitchen you like. Later on Geno calls and says this lady cooking like mama.. She would later put Dylin on a schedule to take his nap during The Young and The Restless.. 😂*

*A couple of days had past. I would take the clothes out the dryer for*

*Geno to fold. Ms Elgie calls, Neet (my new name) Geno tired from working I'll fold the clothes.. I said yes mam.*

*Ms Elgie went from being hired to take care of the kids while we were working to taking care of ALL of us. She took care of us for 5 years and still called to check on us. She was such a sweet and sassy lady. She loved her family, her church and her best friends Martha and Pinkie. She passed away this Tuesday and all the wonderful memories of her made me laugh and smile..*

*Ms Elgie was one of a kind..*

*I spoke with the 2 other ladies whose families she took care of and we shared stories and laughed. What was so sweet is that she told each of us about the other's family. She loved us and we loved her. RIP Ms Elgie..*

“ My sistet had a sweet spirit and a friendly disposition to all that she met. She was a joy to be around. So glad that she and I had a chance to have a sisterly talk and I was able to let her know what a good sister she had been to me. Not only a good sister she treated her sisters and brothers with motherly kindness. She did anything for us that she could when needed. I could always go to her for worldly & Godly advice. I looked up to my sister as being one of the most important people in my life. She will surely be missed.

“ Condolences to our cousin, Charles Dunn on the passing of your sweet mother; Thomas Sims, Bobbie Sims, Joanne Sims and Glenda Sims losing your big sister; Ethel Grays, Lavester Grays, and Mary Bowman on the passing of your beautiful niece. I have so many happy memories of Elgie Mae as we called her, coming to my grandparents; Uncle Mary and Aunt Jessie Mitchell and hanging out and eating, having fun with my mother, Tina who was her bestie during the summers in Wallsboro. We will truly miss her happy, jovial and spirited self. Oh how she loved her baby Charles. Her happiness was contagious!. Take your rest cuz, we LOVED you dearly! Until we meet again.

“ *She had a big heart. Has been my friend for over 50 + years. Shared secrets, joy, sorrow and pain. We learned to hold our heads high no matter what, because we believed God had a reason and a plan. No more pain, may she rest in the arms of our Savior and Father.*
