“ For anyone who knew "or KNOW's" this beautiful soul, knows that she was such a sweet little lady. She treated me like I was one of her children. She would always took time out of her day to let me know she was thinking about me or wanted me to know I was on her mind. She called and text me EVERY HOLIDAY regardless what it was.

We would often joke because she would call me and let me know that "some brat of a child "lol" put trash in one of the clothes & shoes donation containers out front of her home in the Mobile Home Community" and she would ask me to send one of my maintenance guys to clean it up before it blew over in her "this little old lady's yard!!"

Miss. Marshall will be missed very much out here in the Mobile Home Community!!!

Another Angel has earned her wings!
