“ *I had known Frank for over 20 years when he worked for Joe & Geraldine Miller who lived behind me in Meadowbrook in Wetumpka. He helped Ms. Geraldine when Joe was diagnosed with Parkinson's disease and even attended church with them before Joe passed away.. I reconnected with him at the Wetumpka Senior center in 2022. He was a very educated and knowledgeable person and could talk to you about anything. He was an avid reader and we would talk about books we both had read. He will be sadly missed at the Senior Center. My prayers and condolences go out to his family.*
