“ James, you will be missed, I am glad that I had the opportunity to meet him and have fun down in Gulf Shores, AL while he was fishing. I didn't know how but It was exciting watching him pull up the fish. RIP

“ *As employees at Draper Correctional Facility, J. STEELE was managing his budget setting on the stairs in 3 cell. I asked him if he could loan me a few hundred dollars? Without hesitation he asked me how much I needed? I told him none, I just wanted to see if you would help a friend in need, and he was a friend indeed. At that moment in 1987, we became best friends and spent over 30 years as brothers sharing lifelong memories that I will cherish until we meet again. War Eagle my brother, my big rap and my true FRIEND!*
