“ *Lula (Graham) Clemons, My friend Levies (Skipper) Taylor was one of my best friends in this world
When I would come home from New York made sure that we saw one another and visited each other. We had some good days and I shall never forget the good times we shared. W are only 5 months apart in age and we remind each other of our birthdays. I love you and you will truly be missed. So I am leaving but not really wanting to do so. Sleep softly my best friend and sister in Christ.*
