“ *Loletha was a local commentator and gave her opinion to many subjects. She was very smart, all you had to do was listen to her. She tried so hard to learn all she could due to her blindness. She had loads of personality and I, for one, appreciated her contributions. Rest in Peace and now you can see everything and everyone. Love you, Jim Alice Cullars*

“ *There couldn't be a sweeter person than Kitty. Every time I saw her, she was smiling and talking.*
There wasn't a dull moment with Kitty. Stay strong and may God give you strength to endure.

“ *Oh Kitty how you will be missed by so many. You were a beautiful soul and I loved you dearly. My sadness is but for the family and myself as well. For you I am rejoicing because I know you are walking and seeing those streets of gold. Fly high Angel until we meet again.*
