“ Lucille and I went to school at Tallassee when we were quite young and we became friends. Over the years, we continued to keep in touch. Her son, "Neal" and my daughter, "Brina" met and later married and were parents of four children, Erica, Mack, Rufus, Jr, and Bettye. Lucille was a very loving and dedicated mother and grandmother who played a very involved role in each of their lives. I will miss our long phone conversations that we shared for many years and will always remember how she could always find humor in most situations.
