“ Cousins, I have known Marilyn for as long as I can remember. I never saw her without her beautiful smile. She was a very friendly lady. She was a very helpful person. I remember in 1978 when my Dad passed away that Saturday evening. By mid-morning that Sunday Marilyn was at our home to help Mama and I put the program together. She was so helpful to us at a time when we truly needed her. That was always the way she was. If she could help you, she was there. May God comfort all of you in this time of loss. I extend to you my sincere sympathy and condolences. I will continue to remember you in prayer.

Sending you love,
