“ *My mama was the best. I'm already missing the times we would have talking with one another, watching tv together. Those small things of quality time will be cherished. She will always be loved and miss.*

“ *We will cherish the memories of our dear Cousin Mattie. Her laugh was delightful and her love of family was a blessing. I am thankful for the fellowship we shared at large family gatherings. The food was delicious.*  
*Her daughter Peaches was the life of the party. She would beat up my brothera and cousins, they begged for mercy... and couldn't stop laughing. Sometimes we would drop in for a visit and... in my mind I can still see Cousin Mattie and Peaches. I thank God for blessing us with family to love and lasting memories.*
