“ My friend, will be sorely missed. She was faithful, dedicated and true to everything she believed in. She believed in training young people in the way they should go. Family was important to her. She loved unconditionally. When she became I'll, she decided how she wanted to live out her days and stayed that her life was in the Lord's hands. I still hear her singing "He Touched Me." She will live on through the lives she touched and those were many. Praying that the Lord will comfort, console, and keep you in His care. May you find peace and live in a way that would make her proud.
