“ Good morning, to the Bass Family. I am sending my love and prayers on today. I would like to share a poem.

Epitaph by Merrit Malloy

*When I die
Give what's left of me away
To children
And old men that wait to die.*

*And if you need to cry,
Cry for your brother
Walking the street beside you.
And when you need me,
Put your arms
Around anyone
And give them
What you need to give to me.*

*I want to leave you something,
Something better
Than words
Or sounds.*

*Look for me
In the people I've known
Or loved,
And if you can not give me away,
At least let me live on in your eyes
And not your mind.*

*You can love me most
By letting
Hands touch hands,
By letting bodies touch bodies,
And by letting go*

*Of children
That needs to be free.*

*Love doesn't die,
People do.
So, when all that's left of me
Is love,*

Give me away.

*Even though I don't feel the same emotions as you all but I do know
death, and I share that feeling, and I grieve as you do because the
death of a loved one is never easy.*

*Love
Quanett Foster
RIP Daddy.*
