“ *Mike, Wayne, and Jimmy I'm saddened by your loss. Even though you are hurting keep your heads held high. When I envision your mother she was always smiling. Remember her smile and may it bring joy to your hearts. Recall the sounds of her laughter and may they dispel the pains from her passing. Think of the things that she taught you, and the lessons you learned by watching her life. Tweak what you learned and build upon that knowledge . Cherish her love for you that was expressed in different ways. Be thankful for the years she was given to you and never be angry because they didn't seem long enough. Mrs. Moore was resilient just as you must be. I'm keeping you all in my prayers. Love always Margaret Mitchell Green and family*
