“ *To the Long Family:
In times like this it is often hard to find the words that might begin to express how much a person meant to you. Cousin Beck, or MuDear, as I often called her was a very special lady. A woman with a beautiful smile, kind words, humorous comments, and a joyful laugh. She was just a good person to know. An elder in her neighborhood who was well respected by all who lived there.*

So, at this time with a heavy heart, I express to all of you my sincere sympathy in the loss of your loved one. She was a beautiful woman who truly loved the Lord and her family. May God comfort all of you in your time of loss. "Precious in the eyes of the Lord is the death of His saints." May He bless you with the strength to endure her loss. I will remember you in prayer. We send our love and prayers for you all.

“ Miss Rebecca Long was a loving and kind mother to all of her children, friends, family and her community. Her home was open to all. I remember when I visited her 4 years ago, she welcomed me so sweetly “Come on in and talk to me”.
