“ Ronnie, you were so special to me when you were firstborn. You brought a lot of joy to your Paternal grandmother. You were the offspring of her precious son and that brought a lot of happiness to our family. Life took a turn that didn't allow us to share your early years with your Michigan family. It's said, People make plans, GOD unplans. The plan was for you to grow up miles away. Lucky for us you visited us when you became an adult. It's comforting to see you as a strong adult male. The love we had for you was sincere. You are now at peace and beyond any doubt my love for you is endless. GOD knows what's best for all of us. PEACE! Aunt Brenda
