“ *To the Golden Family:
May the comfort from family and friends continue to strengthen you during this difficult time, and may you find comfort in the words found in the last book of the Holy Scriptures: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."*

“ When we were kids in the 60s living on route 262 in Wetumpka, Ruby would always bake homemade biscuits, black berry pie, and rice pudding all homemade and it was so delicious and one winter it snowed and she even made snow ice cream and it was so good, Ruby you will be missed , with love you're niece.

My dear aunt and friend we talked on the phone a lot. If I didn't call you would call me and let me know about it. We laughed a lot together. You gave me good advice. I would let you know that it was good hearing from you. I remember when I was little living with you and aunt lurleen and all my cousin and two sisters. You were like my mother. You and lurleen took care of all 12 of us kids. I don't know how you and lurleen did it. But you did. I enjoyed coming back home to graduate. I like working with you lurleen and Ricky at the text tile mill. I miss you so much especially the talks we had. I love you my friend and aunt!
