“ Dear Ms. Vesta, Sharon, Derrick and Family: I know how much you loved your Uncle Saul and I know how much you will miss him but I also know that he knew he was loved by all of you so much. Right now I pray that he is up with Bonnie and her parents and mine and they are all rejoicing with the lord and having one big party waiting on all of us. My prayers and love are with all of you during this time and I hope you know how much I loved your uncle saul also and going to miss him with the stories.

“ My deepest condolences to the family for your loss. Our Heavenly Father Jehovah gives us a comforting thought when He tells us that soon death will be "swallowed up forever." (1 Cor. 15:54) Along with this, Jehovah God also promises that ones who have died will be able to live again. (John 5:28,29) I hope these encouraging scriptures can bring you some comfort during this difficult time.
