“ My "Tupac", we have so many memories that spans over 20 years I could never pick just 1. We have so much history and had such a bond ❤️❤️❤️ even death can't break it. I always told u that I knew u better than u knew urself and u always agreed wit ur slick smile. 🤔🤔🤔 U always made sure I was straight if I ever needed anything. God took a piece of my heart when he took u Tee. I don't know if I will ever get over this but as long as (our son, inside joke), Quan lives I will have a part of u here on Earth. U WILL FOREVER LIVE IN MY HEART💖💖💖💖💖 p.s. I never did get my Auburn sweater

“ Tatlana I have known you for a long time and has always enjoyed being around you and over the years we had lost contact but later found it again and on October 5th 2020 I never thought that would be our last conversation. I'll miss you cause you was just like a brother to me, and to the family you have my prayers and praying that you all can find peace. Tee keep smiling down on us all. - Paula Shealey and Family

Cuz, all I can think about are the memories of our childhood at house with PT and Bug and at Grannies. Your smile and laugh, your sense of humor, and your love for Tupac. You will forever be with us. Watch over the family! Love you 💕💕
