“ From day 1 you was always solid. Still in disbelief and can't accept the fact that your not here. No matter where you was at we always stayed in contact. From you playing with my son treating him like he was your own to telling me the truth about things in life that you wanted me to be prepared for. Looking back on how we meet and all the stories I could tell since the day we met. Whew there have been some crazy stories. Now I will forever cherish those memories. Gone to soon. RIH to one of the sweetest kindness and realest people that I've ever known. We truly lost a one of a kind soul. Until we meet again. Always in our hearts forever.
