Sylvia Gray and Family, Uncle Tony we miss you more and more everyday. You were always outspoken and could walk in a room like you own it. I'm going to miss your laugh and your frequent jokes too. God called you home for a bigger Purpose and there will be no more pain. Rest well until we meet again. Although you're gone you're never forgotten.

“ My uncle was truly one of a kind. Driving to Alabama to see his family, he would never mind. He would always find his 'Black Fox' (me). He just wanted me to load up his box. See when he came thru he already knew he was getting some goodies. We would load him up with all types of foodies. Unc you will always be in my heart. I will always love you even though now we are apart. Rest Well!
