“ I am so sorry for all of Tyson's loved one's loss. Tyson Grays was always so kind to me. I have known him since elementary school and I wanted to share this memory I have of him. We were on a field trip in fourth grade to a place in Alabama called Lanark. The instructors were showing us how to fish and they mentioned to not cast the rod back before casting it forward. I was not listening to that and I cast the rod forward and then I heard a scream. Tyson was next to me and I had hooked his eyebrow with my rod. Tyson remained strong in that situation and pulled the hook out of his own eyebrow. Due to his kind nature, he was not angry at me when he could have been (and had every right to be). I apologized profusely and we laughed it off. I was always hold that memory dear to me and I am glad to have known him.
