“ So sorry to hear about your loss. KeKe I didn't know your dad, but the loss must be hard. Even though the pandemic limits how many can come to the funeral, it does not limit our prayers for you and the family. Hopefully, many good memories will lessen your pain.

“ God blessed me with Billy Boy as a friend who was like my brother. He was one of the greatest men I have ever known and I learned a lot from him. So family, continue on in unity, generosity, and love; and reflect on your fondest memories of Billy and be great in the Lord.
