“ *It is our prayer that the God of peace will bless, sustain, and keep you in His care during this most difficult time. To us, Yancey was family and he embodied what family should be, kind and strong. To the community he was a leader, advocate, and activist. His words were equally matched by his deeds and his support for improvement for Elmore County Citizens showed his life long commitment to servant leadership. He has set the bar high, but in passing the torch, continuing the work he began will best reflect the legacy he leaves behind. May our God grant you boundless grace and unyielding mercy along your journey.*

It was a pleasure to have known Mr. Yancey, he was an very nice and kind hearted. He was in my building and made doing a radio spot and found his way to find me to speak with me. I thought that was awesome. I would see him on the ASU-YARD and again, he would find his way to speak with me. Thank you for the teaching, and the kindness you shared. Dr. Elon Miree

From across the miles come condolences and heartfelt prayers for the entire Mitchell family. I knew Yancey Joe from very early childhood when he came with his mother, Eunice & grandmother Jessie Mae to visit their brother & our uncle in Titus. Such a delightful, caring, and committed person who developed excellently in his goal to serve his fellowmen. May he have eternal rest and peace in the heavenly realm as he joins loved ones who took the flight before him. "Weeping may endure for the night but joy cometh in the morning."
